

WROCLAW

CITY OF BRIDGES, DWARFS AND
CULTURE

BASIC INFORMATIONS

- In the 6th century Wrocław was settled near Odra river on Ostrów Tumski
- Wrocław is one of the largest cities in Poland
- It is situated near four rivers
- Wrocław will be the European Capital of Culture

DWARFS

During the martial law (from 1982) in Wrocław was found a new anti-communist organisation: Orange Alternative. Members of that group were wearing orange dwarf hats, because they wanted to fight with regime in hilarious way. To memorise that group, we have many sculptures of the dwarfs.

FAMOUS LANDMARKS

- Town Hall
- Centennial Hall
- Wrocław Opera
- Ostrów Tumski
- Cathedral
- University of Wrocław
- Wrocław Euro 2012 Stadium

CENTENNIAL HALL

- It was opened in 1913 in the 100th anniversary of battle of Leipzig. It was designed by Max Berg. It is perfect place for concerts, convents and any events.

BRIDGES

Wrocław is situated by four rivers. And it is called "city of hundred bridges". The reason for that name is simple: we have more than a hundred bridges in Wrocław.
